*We hope you will join us for our upcoming virtual learning opportunity presentation by Dr. Brandie Bentley. "Perinatal Period and Disabilities (101) is an introductory session designed to equip participants with the foundational knowledge and tools needed to support parents with disabilities across the perinatal period. This session will offer valuable insights into the unique perinatal experiences of individuals with disabilities and strategies for fostering more inclusive and accessible care." This session is offered FREE for members and is \$15 for non-members. Registration is required.*
- This program is pending approval by the National Association of Social Workers.*
